Come celebrate the art and science of play at the Ultimate Block Party!

Sun., Oct. 2, 2011
11 a.m. - 5 p.m.
Baltimore’s Inner Harbor at Rash Field
This event is handicapped accessible.

Come & Play!
Bring your family for a day filled with playful activities that illustrate firsthand the importance of play. Play is the work of our children, helping to develop the skills needed in life, school and the workforce of the 21st century.

Play & Learn!
Today's newest scientific studies reveal what parents and caregivers have long known—that when children are absorbed in play activities, a lot of learning is going on inside.
